<b>Instructions</b>	<p>Before class, tell students to download the 7<sup>th</sup> grade Personal Information activity “Do you know...?” Tell ½ of the class to download the A document. Tell the other ½ of the class to download the B document. To start the activity, have students bring up their documents on their phones. Create pairs by placing a student with “A” with a student with “B.” Tell them not to show their phones to each other. Tell them that they each have some information about a group of students. They are missing some information. Using only English—and only asking</p>

	<p>and answering questions—they should find the missing information from their partner. You can end the activity by calling out questions to the group such as, “Who is fourteen years old?” or “Which student lives in Rivas?” to check their fluency with questions and answers.</p>
