Instructions	<p>Before class, tell students to download the 8th grade Clothes activity “Same closet?” Tell ½ of the class to download the A picture. Tell the other ½ of the class to download the B picture. To start the activity, have students bring up their pictures on their phones. Create pairs by placing a student with “A” with a student with “B.” Tell them not to show their phones to each other. Tell them that they each have a picture of a closet. They might have the same closet—or they might have a different closet. Using</p>

	<p>only English—and only asking and answering questions—they should find out if they have the same closet. You can end the activity by having the class tell you their answer and naming the differences between the closets.</p>
