Buying a dress

Does Rosa buy a dress?

Wendy: Rosa, what are you shopping for today?

Rosa: A dress. I need to buy a dress.

Wendy: Okay... what about this one?

Rosa: No.... it's too big.

Wendy: Yes, it is. It *is* big. You need a smaller dress.

Rosa: Ohhhhhh... I like this dress... but... it's pink.

Wendy: Don't you like pink?

Rosa: Not really. I like blue a lot more.

Wendy: Here's a blue one—and it isn't too big. It looks like your size!

Rosa: Yes! Blue... my size... but...

Wendy: But what? Is there a problem?

Rosa: It is a little expensive.

Wendy: Oh, yes you are right. Okay... let's go to another store.

Rosa: Okay. Maybe I will find a dress there.
