**Food for our Party**

*Which foods will they have at their party?*

**Albany:** We must plan the food for our party.

**Idalia:** Yes, we do!

**Albany:** Which foods should we have?

**Idalia:** Hmmmm.... Let's have beans and rice.

**Albany:** Good! Yes, and let's have chicken.

**Idalia:** Should we have nacatamales?

**Albany:** Well... nacatamales are a lot of work.

**Idalia:** That's true. We can ask our families for help.

**Albany:** Yes. Let's ask our families to help us with nicatamales.

**Idalia:** Also, something sweet...

**Albany:** Yes, let's have mangos.

**Idalia:** Mangos are good. What about cake, too?

**Albany:** I love cake. Yes. Let's bake a cake, too.

**Idalia:** This will be a great party.
