

7th grade: Home

A Good House

What is a good house for the man and woman?

Woman: We need a new house.

Man: Yes. *We really* do.

Woman: Our house is too small.

Man: You are right. We need a bigger house.

Woman: Well, what is a good house for us?

Man: Hmm... we need a big kitchen.

Woman: Oh, you are right! Yes! A *big*

kitchen. We like to cook.

Man: We need three bedrooms.

Woman: *Three* bedrooms?

Man: Yes. But they can be small bedrooms. We need an extra room for guests to stay.

Woman: Okay. And, we need a nice bathroom.

Man: Yes. We do.

Woman: So... what do have? We need... a big kitchen... three small bedrooms... and a nice bathroom.

Man: That is a good house for us.

Woman: Let's start looking for that house!
