### **My cousin's visit**

***What will Hillary do with her cousin?***

**Hillary:** Did you know that my cousin is coming to visit me?

**Su:** No, I didn't. That's great!

**Hillary:** It is. I really like my cousin a lot. She is very funny.

**Su:** How long will your cousin visit?

**Hillary:** She will stay one week.

**Su:** That's good. What will you do when she is here?

**Hillary:** I was just thinking about that. I don't know. Do you have any ideas?

**Su:** You could go dancing. That would be fun.

**Hillary:** Well, my cousin likes music, but she doesn't like to dance.

**Su:** Oh, okay. What about going on a shopping trip?

**Hillary:** That's possible. I bet she would like to shop.

**Su:** So, you could shop one day.

**Hillary:** Hmmmm... I bet she would like to visit the mountains. She really likes to hike.

**Su:** Oh, yes. You could go for an overnight trip.

**Hillary:** We could. That would be perfect.

**Su:** Your cousin's visit sounds fun.
