

## **Making Plans**

### **My party next week**

***Will Su go to the party?***

**Hillary:** Hi Su! How are you?

**Su:** I'm great, thanks. How are you?

**Hillary:** I'm good. Hey, I wondered if you would like to come to my party next week.

**Su:** Wow. That sounds fun.

**Hillary:** I think it will be. My brother's band will be playing, so there will be music.

**Su:** Nice! When is your party?

**Hillary:** It's on the weekend. It's on Saturday.

**Su:** What time on Saturday? I have to visit my grandma in the afternoon.

**Hillary:** The party will begin at 7:30.

**Su:** Oh, I can come then. I'll be done visiting my grandma by 7:00.

**Hillary:** I'm so glad. I think it will be fun.

**Su:** Will there be a lot of people at your party?

**Hillary:** I hope so!

**Su:** Thanks for inviting me. I'll see you there.
