<b>Assessment</b>  <i>Teachers can check for success by</i>	<ul style="list-style-type: none"> <li>• ask students, “What is Jacobo’s job?” and “Where does he work?” and “Describe what Jacobo does first” and “What does Jacobo do next?”</li> <li>• have students give each other directions such as “turn on the lights” or “sweep the floor” or “open the door”</li> </ul>

## Work | Getting Started

**What is Jacobo’s job?**

**Jacobo:** Good morning, sir! I am ready for work.

**Employer:** Good morning, Jacobo. Today is your *first* day on the job.

**Jacobo:** Yes! I am ready. What should I do first?

**Employer:** Well, first turn on the lights.

**Jacobo:** Okay. I turned on the lights.

**Employer:** Now, clean the floor.

**Jacobo:** Okayyyy.... I am sweeping.... I am sweeping.... Alright! The floor is clean.

**Employer:** Good. The floor looks *very* clean. Excellent.

**Jacobo:** What should I do now?

**Employer:** Okay. Next you can open the door so that customers can come in.

**Jacobo:** Right! I'll open the door for the customers.

**Employer:** Do you know what you should do next?

**Jacobo:** Sell the customers groceries?

**Employer:** Yes! But first, tell them good morning.

**Jacobo:** I can do that. I like this job already.
