<p>Instructions</p>	<p>Before class, tell students to download the 9th grade Recreation activity, “Choose a Tour.” Tell $\frac{1}{4}$ of the class to download the A tour, $\frac{1}{4}$ to download the B tour, $\frac{1}{4}$ to download the C tour and $\frac{1}{4}$ to download the D tour. To start the activity, have students bring up their tour brochure on their phones. Create 4 groups with all the As together, all the Bs together, all the Cs together and all the Ds together. Tell the students to help each other understand what their tour brochure is saying. Try to let students figure out the message using cues like the pictures and keywords. Once students</p>

	<p>understand, change groups. Create small groups of 4—with one A, one B, one C, and one D in each group. The students should not show each other their phones. Tell them that they are planning a trip to another country, and they can choose a tour to take while there. They have four tours to choose from—A, B, C, D. Each student has one of the tours. Students should tell their group about their tour and talk about which tour would be best. The group should decide together. When the group has decided, have them share their response with the class.</p>
