How will the man go to the hospital?

Man: Excuse me, ma'am. I am lost.

Woman: Oh, okay. Where do you want to go?

Man: I am going to the hospital.

Woman: No problem. I can give you directions.

Man: You can? Oh, good.

Woman: Okay... first, you want to stay on this street for three blocks.

Man: Okay... so... I go straight for three blocks.

Woman: Yes, and then you turn right.

Man: So, I will turn right.

Woman: Yes. Then, go.... Hmmmm....
Four blocks.

Man: Go four blocks... okay...

Woman: And you will see the hospital on your left.

Man: Is there a landmark near the hospital that I can look for?

Woman: Yes. You will see a tall tree right before the hospital.

Man: Okay. Thank you for the directions, ma'am!
